ER Report
Greetings members and families. Please look at the calendar this month and join us for the 150th birthday par-
yty on the 20th. We really do need to take a moment to remember and recognize the contributions of this Order
to our communities and country. I know that the Club (bar) is important to many of us but we are that and so much more. Our Order is the largest supporter of youth programs in the country after the federal government. Drug Awareness, hoop and soccer shoots, our state youth camp, support for scouting just to name a few. Pat yourselves on the back and be loud and be proud about the work we do.
We elect the new officers in March, please look at the slate that the PER’s have put together and let us know if you have thought or concerns. It would be great if some of our newer members want to put their toe in the water and we will work with you to make it as much fun as we can. We must have an active Lodge and leaders to support and expand the programs we have. As always, our focus is children and veterans, but we can explore other options also. Thank you very much of course to all who give their time through the year with the previously mentioned programs as well as Fishing Fling, County Fair booth, Tuesday and Thursday dinners, Sunday breakfasts, special events, and anything I have forgotten.
In closing, I am quite serious about hearing about any concerns or thoughts that the members have and will try my best to consider and resolve them. Continue to stay warm for another month or two and we can cele-
brate spring once again.

Celebrating a storied past and a bright future
Message from the Grand Exalted Ruler MALCOLM J. McPHERSON JR.
February can be cold and dreary, but it is a bright, optimistic time for Elks. This month we celebrate the birthday of our Order, which began 150 years ago on February 16, 1868.
While Elks will mark this significant milestone in our history throughout the year, with special events in San Anto-
nio this July, I urge you all to take the time this month to celebrate your Lodge’s contributions to the Order, as well as reflect on our mission as Elks and the future of this organization.
Amidst these celebrations, some of you will prepare to leave your positions as officers as our fraternal year nears its end, while others will consider starting a new journey as leaders in their Lodges. No matter your path, the success of your Lodge relies on this leadership, both past and present.
Retiring officers, your knowledge, contributions, and experience will live on as a valuable resource to those who come after you. New officers, take inspiration from your predecessors to impact positive change and make your own mark on your Lodge.
Both past and current leaders must come together to engage Members and set Lodge goals, and there is no better time to do so than this pivotal anniversary time. As I blow out the candles on the Elks birthday cake this year, it is my wish that each and every Lodge continues to spread our causes of charity, education, and Americanism that our founding Members established. What is your Elks birthday wish?
During our travels in the coming months, Pat and I look forward to meeting more Members of this incredible organization and seeing how you are strengthening Elkdom in your communities as we embark on the next 150 years and beyond.

Central District Hoop Shoot
Six youth from Minnesota Elks Central District earned a berth at the Minnesota Elks Hoop Shoot on Feb-

uary 17 in Hutchinson. Lake Region Christian School in Baxter was the site of the Elks annual free throw shooting contest where winners of respective lodges local competition were recently held.
Advancing are Leah Maddock, Katie Roste, Maci Martini, Nathan Schuman, Kale Misgades and Tyson Misgades. These boys and girls will compete against youth from Metro, North and South Districts for a chance to represent Minnesota at the regional event in March. Hutchinson Lodge 2427 and Wadena Lodge 2386 each had two winners while Alexandria Lodge 1685 and Brainerd Lodge 615 each had one.

What’s Happening
Keeping you, our members up to speed on what’s happening. You may already have noticed a change. If you haven’t, here’s a brief breakdown. As you know it is the Benevolent and Protective Order of Elks 150th year in existence. Brainerd Elks Lodge 615 has been proactive in the BPOE for 118 years. Over those years we, the Brainerd Elks have charitable giving of 3.75 million dollars to Youth and Veteran Activities within our Lodge region. BE LOUD. BE PROUD.

Over the next few months the Elkorama will devote space for your Elk memoirs and to give a history to that list of 30 plus programs that Brainerd Elks members invest time and support to make our communities better. Elks Care. Elks Share. To share why you became an Elk and what it means to be an Elk, contact Jim Van Dyne.

Brainerd Lodge officers are always looking for new ways to help our children and veterans with unmet needs. Each month one or more articles will be in the spotlight. In January Drug Awareness and The School of Rock Open Mic program were the focus. This month Brainerd High School Debate and Imagination Library are in the limelight.

DEBATE
For over four decades the Brainerd Elks have sponsored the annual Brainerd High School Debate tournament. Teams from Minnesota, South Dakota, North Dakota, Wisconsin and Iowa have participated in the Policy and LD (Lincoln-Douglas debate) contest. Elks officers including a Grand Exalted Ruler, State President and Brainerd Elks have played a part in the presentation of awards. Three Brainerd Elks have served as debate coaches over the many years of the Brainerd teams. They were PER Norm Arveson, PER Doug Johnson and Guy Doud.

Trustee Tidbits
Bills are paid and the Club continues to operate in the black. Thank you for your patronage and support that makes this possible. We have a need for Tuesday Dinners and Thursday Burger Nights. You can talk to a trustee or sign up at the bar. Thank you for your help.

Board of Trustees, Elks Lodge #615
Greetings Fellow Elks,

I wanted to give everyone a bigger summary of our charitable gambling activity and where the money goes. Like mentioned in previous articles the money we make not only is donated to a variety of youth, community and veteran’s activities, it also plays a huge part of keeping the doors open at the club for everyone to enjoy. It is paying the utilities and real estate taxes.

I really want everyone to know and recognize that without our offsite locations at Zorbaz on Gull and Cowboy’s in Lakeshore that we would not be able to do the things we do. So please take the time and stop in at these locations and show our support and thank them for letting us conduct charitable gambling at their establishments. We are also most likely adding another site in the gull lake area within the next month.

With that said, here is a summary of gambling from July 1, 2017 thru December 31, 2017.

### Imagination Library

Our Brainerd Elks Lodge #615, began participating 3 years ago, in a Brainerd Lakes Area United Way administrated program that provides books for families with “New Born” children through 5 years old. The program is known as “Imagination Library”, and, is a United States wide program that was started many years ago, by Dolly Parton. Our local United Way organization serves all of Crow Wing County’s and Southern Cass County’s enrolled families with the Imagination Library age appropriate books. These are families that cannot otherwise provide reading materials for their children.

The cost of the program to the Elks, is $30.00 per year, per child. This $30.00 cover providing 1 book per month, sent to the child’s home, with the child’s name on the cover. The need in the Crow Wing County/Southern Cass County area is huge. 2 Years ago, there were approx. 1,000 children identified and enrolled in the Imagination Library, while, today, there are 2059 children enrolled. Pediatricians at our area hospitals hand out Imagination Library information to all parents of new born babies, and encourage enrollment.

Parents can purchase the Imagination Library reading program. However, the vast number of children receiving the library books here, receive the books through sponsorships provided by the Brainerd Elks and other general donators. By survey, a surprising 89% of participating parents this past year, rated the received books, as excellent! Another interesting statistic to note, is 95.9% of parents surveyed, felt that receiving the Imagination Library books and reading with their children, got their child well prepared for Kindergarten!

Just thought you would like to know a little more about one of the many activities our Brainerd Elks Lodge sponsors and supports for our area youth. Jim Runberg, PER
PVSAs honor those who give back
The President’s Volunteer Service Award (PVSA) is our country’s premier volunteer awards program, encouraging citizens to live a life of service through national recognition and presidential gratitude. The award is presented through the office of the President of the United States of America and the Elks Drug Awareness Program. The Elks Drug Awareness Program presents lifetime PVSAs to adults who have volunteered 4,000 or more hours over their lifetime. To date, more than 2,000 volunteers nationwide have been recognized for their service. I feel it is very important to reward and recognize our Elks and community volunteers. You do not have to be an Elk to receive this award. The Youth PVSAs are new to the Elks Drug Awareness Program. The volunteer hours required for a Youth Award are: Ages 5-10: 75 minimum; Ages 11-15: 100 minimum; Ages 16-25: 250 minimum. These awards are a great opportunity to recognize the amazing volunteer work that the youth of your community are involved in. One great source of potential candidates come from the students who apply through our various scholarship programs. The award includes a certificate, a letter from the President of the United States of America, and a “Challenge Coin” with the Presidential Seal. The entire cost of this award is funded by the Elks Drug Awareness Program, through the generosity of the Elks National Foundation. The application form, which should be forwarded to your State Drug Awareness Chairman, is located at https://www.elks.org/resources/dap/downloads/PVSAYouthApplication.pdf KENT D. Attention Members
The Lodge is seeking Lodge officers for the 2018-2019 Lodge year. Nominations for officer positions will be February 14, with elections held on March 5. If you have a desire to get involved and help guide your lodge in the works of Elkdom, please contact Lorraine Berry, 218-820-6662, an officer or Past Exalted Ruler before February 7. If you are asked to fill a position, please give it serious consideration. We would love new, creative thinking in how best we can serve our community. Thanks.

Elk members are again getting involved in the Good Sam Bowl XV with a Sharing Our Blessings Silent Auction table at the May 6-7 event. The PER’s are looking for five items for the bid table. Do you have a worthy item to donate for the table? You may recall last spring’s event when 615’s table of items garnered the highest bid. We should shoot for that level again.

Super Bowl Party! What’s Next?
The Social Committee met again recently to continue discussion on our upcoming Super Bowl Party, February 4th. Games and prizes will begin an hour before the game so come early to join in the festivities. Our buffet dinner will offer a variety of options, so no one will go hungry. Cost is $5/person.

On a different note the Club needs helpers for Tuesday night family dinners and Thursday burger night. Please consider volunteering.

Is there an interest in another Kentucky Derby party? Let a committee member know. Members include Cheri Drake, Cheryl Bailey, Anita Straka, Lois Steinbauer, Kathy Ludenia, Mel Ziebell and Kelly Mogenson.

Our plan is to team up with Destiny Cruise again this summer for another fun day on the Lake. Information on this event will follow as plans are finalized.

Once again, we welcome your input.

Impact Grant: Open Mic Update
As you may know, Mark Munson, our Elk Brother who had the vision for a youth oriented School Of Rock and Open Mic Program, died on January 4th, 2018, at 6:24 AM. He died after a 4-year difficult battle with pancreatic cancer. Mark leaves with us a love for music, and a way to pass on this love for music to our youth, through the MMSOR and Open Mic Program. It is a way for youth to express themselves through music, by playing musical instruments and through Open Mic performances. The path for expression comes in the form of the 2-week School Of Rock summer program, and the monthly Open Mic Program.

Our Open Mic Committee now has 24 members (19 Elk members, and, 5 interested community folks). The Committee met on January 3rd, 2018 and we are still in the process of confirming a location for the first Open Mic, firming up Open Mic dates for the 2018 year, start time, etc. Also of concern, and must be decided yet, is age bracket for the performers, Time slot duration, Categories for performers (singers, songwriters, poets, instrumentalists), etc. We also must agree on types of advertising (Instagram, Facebook, email, daily paper, etc.).

So, our Committee will be getting together early in February to answer these questions and keep the program going forward, hopefully with our 1st Open Mic program to be scheduled for some time in early March. Please call me at 218-270-2217 if you could help with the Open Mic Program.

Thank you very much,
Jim Runberg, Primary Contact Person for Elk member participation

Football Challenge
Last August the Elks Football Pick 'Em challenge was offered online for each of you to enter. Over the course of 17 weeks, entrants selected their winners and national kept track of wins/losses. Over 1500 Elks participated in the bragging rights only! There are no prizes associated with the elks.org Pro Football Pick 'Em Competition. Jim Van Duyun led all Minnesota players and ranked 7th Nationally with a 70.83%

Deadline for anyone wishing to place an article in the March issue of the Elkorama will be February 15. Please email them to jamesvanduyn@gmail.com or leave articles at the lodge. Thank you.
